

2011 CABERNET SAUVIGNON  
*napa valley*

In 1983, Tony Peju bought thirty acres of vines in the famed Rutherford district of the Napa Valley. Since then, the Peju family has maintained a meticulous focus on the vineyard, which has grown to include a proactive approach to sustainability and environmental consciousness. That long-standing commitment and respect for the grapes can be tasted with each sip of these balanced and elegant wines. Still family-owned and operated with daughters Lisa and Ariana poised to take the helm, Peju winery has become an integral piece of the Napa Valley landscape.

VINEYARD

Peju's Rutherford Estate is a California Certified Organic vineyard, and is planted primarily with Cabernet Sauvignon and Merlot. The winery's two additional properties, located in Pope Valley and Calistoga, are both sustainably farmed. At Persephone Ranch in Pope Valley, the climate is suited to grow Sauvignon Blanc, as well as Zinfandel, Syrah, Cabernet Sauvignon, Cabernet Franc, and Merlot. Cabernet Franc and Petit Verdot are grown on the Wappo Vineyard in Calistoga. Drawing from such varied terroir, the wines exhibit the perfect blend of mountain-fruit focus and Rutherford complexity.

VINTAGE

2011 was a difficult but rewarding year for the Napa Valley. Cooler than average temperatures along with more rainfall than normal presented myriad challenges to the vineyard team, but we finished with a successful harvest after several warm weeks in late October. This vintage ultimately yielded small quantities of beautifully balanced and intricate wines with lower alcohol levels. Our Cabernet from 2011 is blended using all five red Bordeaux varietals to create an immensely satisfying and multi-dimensional wine.

TASTING

An elegant and enjoyable Cabernet that showcases light thyme and sage, vanilla, red fruits, and anise on the nose. Juicy plums and sweet oak come through on the palate with remarkably soft tannins from start to finish.
